PAINTING the TOWN

BY ROGER BROWN and JOHN SEVERIN

Rock stars today are more zealous, egotistical, and overbearing than ever before. Not only do they think they can act well enough to fill three minute video clips, they now think they act well enough to act in feature films. Soon ther will be entire films cast with no-one but rock stars. The following is what might happen if an all rock star cast was assembled to make a horror film...

ROCK, RATTLE, & MOAN!

BILLY EYEBALL & CYNDI LOPPER
as the newlyweds

PHIL COFFINS & DEE SNOTTER
as the corrupt real estate agents

JAMES BRAWN
as the Rocksorcist

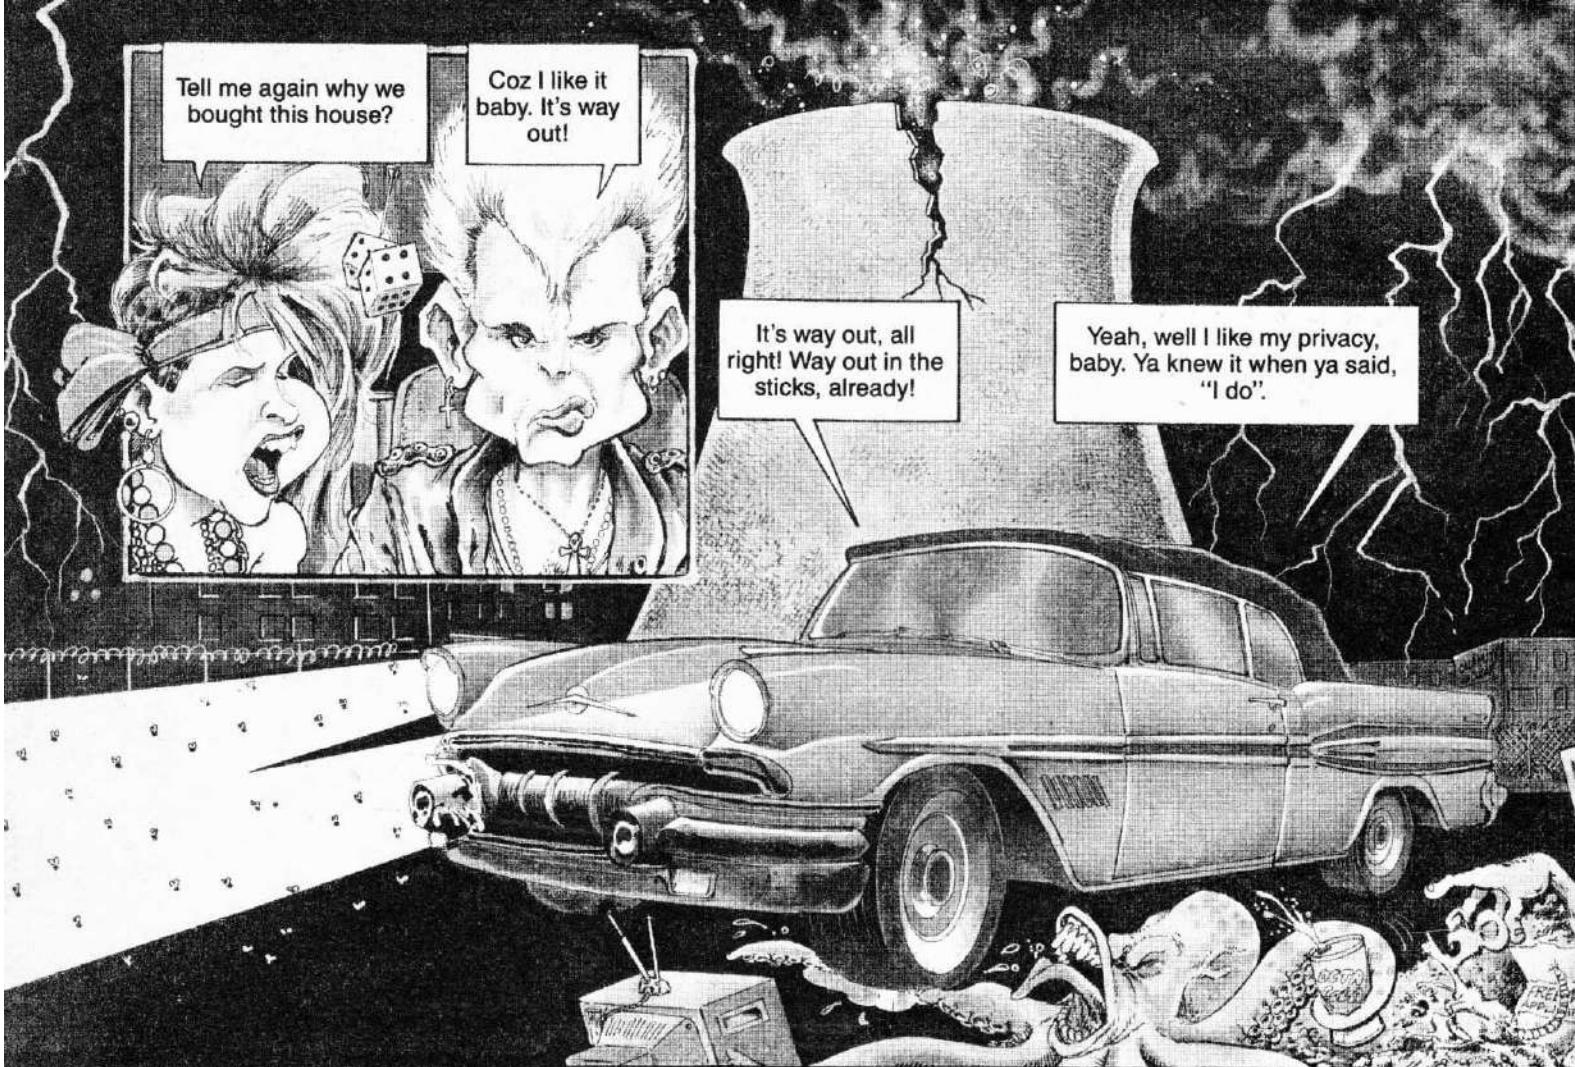

Tell me again why we bought this house?

Coz I like it baby. It's way out!

It's way out, all right! Way out in the sticks, already!

Yeah, well I like my privacy, baby. Ya knew it when ya said, "I do".

Well, here it is, folks. It's your basic fixer-upper opportunity of a life time.

It'll take about that long to fix it up. Yecch, this place is a disaster.

Aw, you'll love it. There really aren't that many pitfalls.

Hey, look out for that...

...open trapdoor. Oh well, there goes our deed.

Well, one good deed deserves another. He was kinda creepy, anyways, don'tcha think?

I try not to. Well, let's get this thing rolling, and go to bed.

Those must be the newlyweds, here to move in. Heh heh heh.

KEEP OUT!
THIS MEANS

One and two,
and one and
two...

GIT OUTTA HYAR

G-golly, honey-buns, if
you feel that way about
it...

I didden say that!
It was a spook,
awready! I'm
SCARED!

Mere moments later, in the kitchen...

Spooks...heh,
heh, it was
probably the
plumbing.
Yeah, that must
be it.

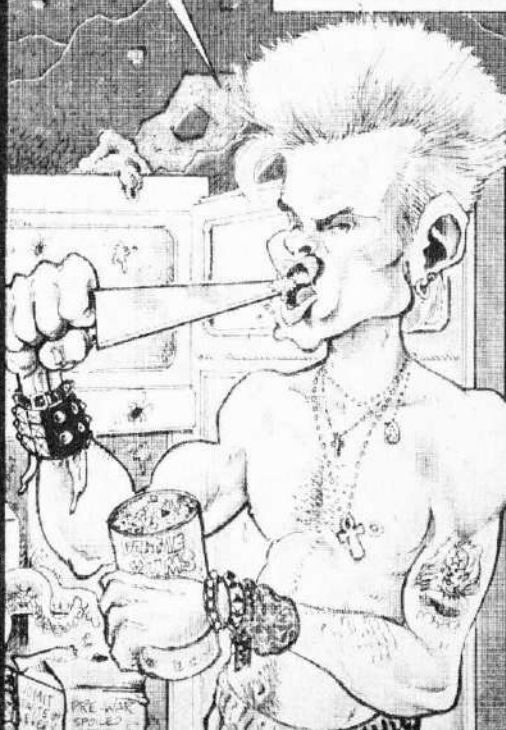

I
doubt
it.

And
what
makes you
so sure of
that,
love?

CLIK

Geez, Billy. Do you
gotta practice your
sneering now?

Course I do.
I don't wanna lose
my touch. Lookin'
snotty is a 24
hour a day job.

Coz this ain't a water bed, that's coz why. Now I can relate to those mattress ads that say "You'll feel like you're sleeping on a cushion of air"!

GAK!

Maybe there is sump'n up wif this house, but we ain't leavin'!

OH YES YARE

EEK!

For this I got married? Dont' let the image fool ya folks, Mr. Macho, he ain't. Yeesh!

Next morning:

Oh, Billy, I just know things are going to get worse. I just know it.

Oh yearh? And how d'y' know that? Are ya clairvoyant?

My name isn't Clair, it's Cyndi. some husband I got.

Look, I've worked with Steven Schpielburger on that "GOOFIES" movie, and I know they can't make one of these flicks with out some kinda horrendously gross special effects sequence.

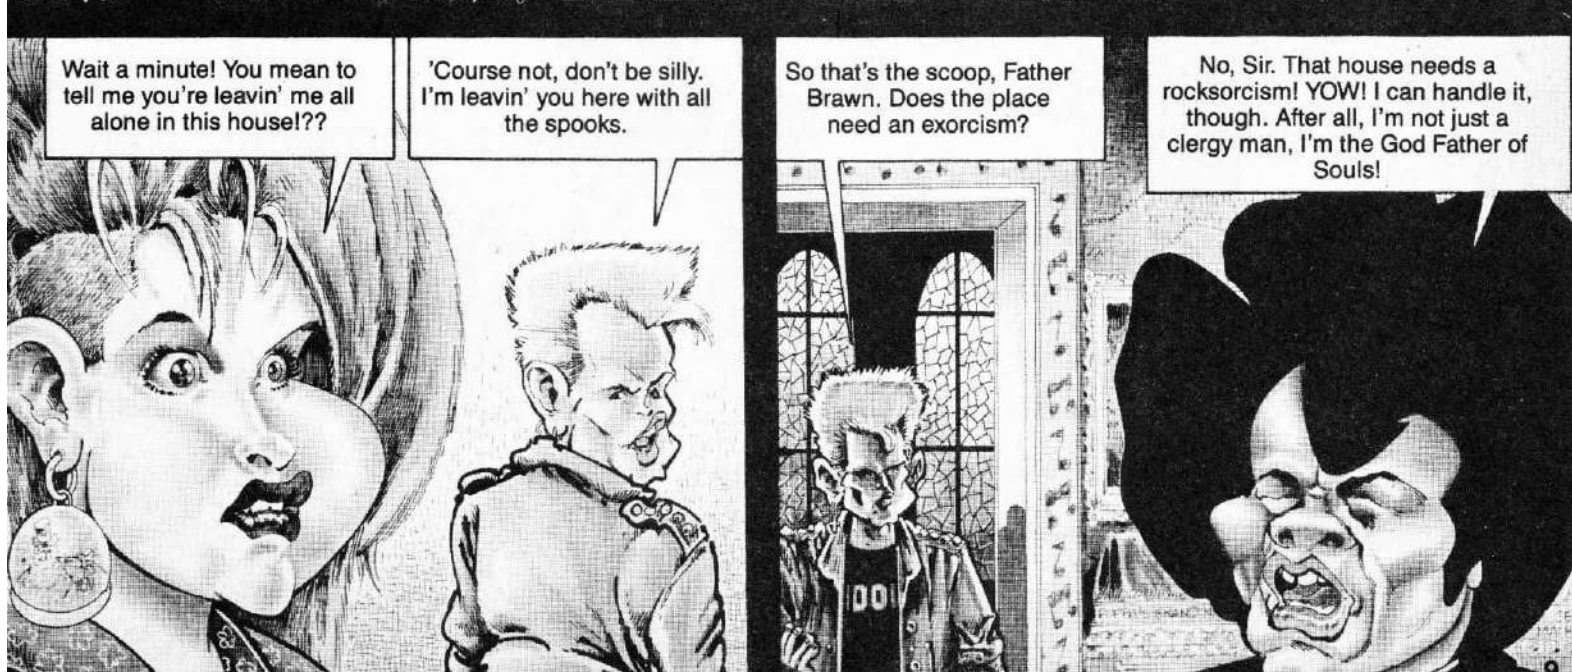

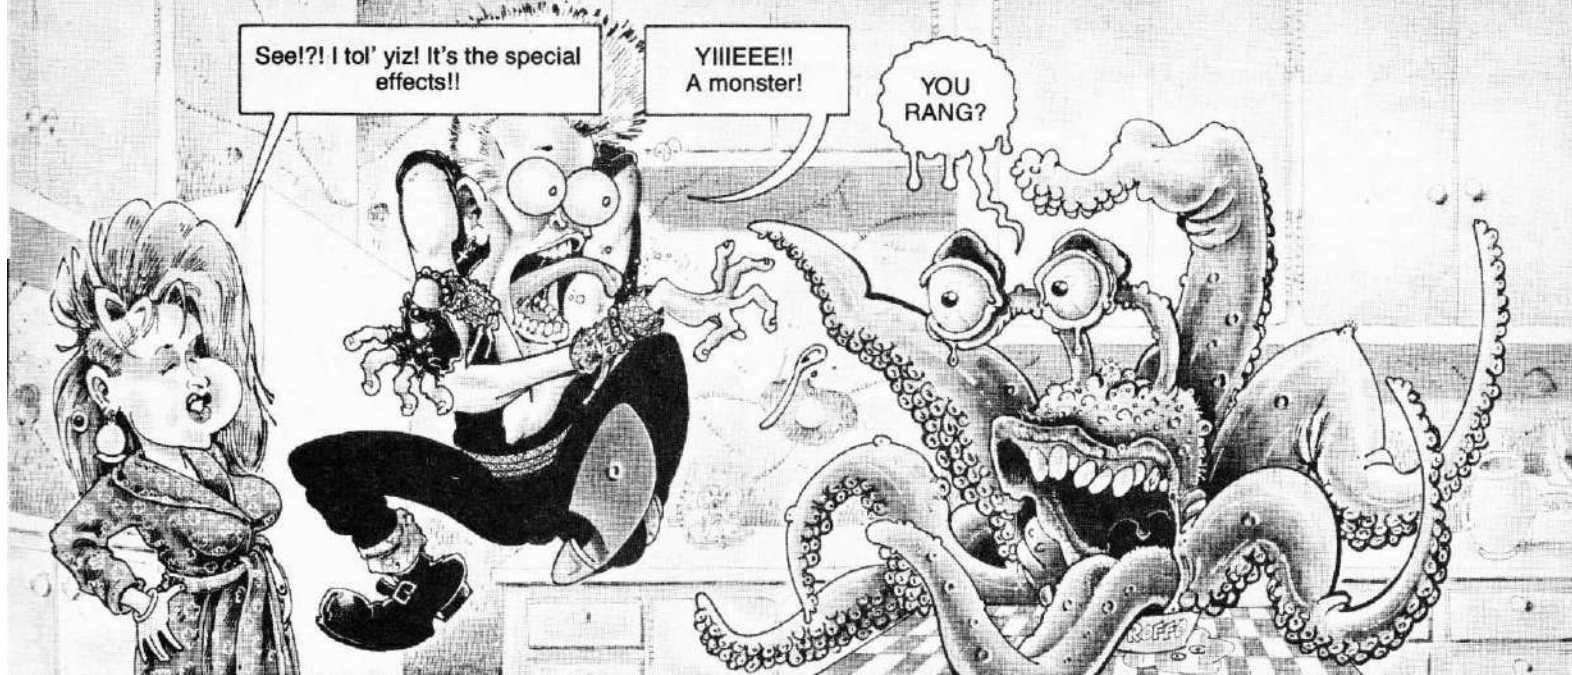

Ah, fooley, you're paranoid!

That's Black Sabbath's problem, not mine. I know what I'm talking' about!

SHE'S RIGHT Y'KNOW!

HEY KIDS, IT'S SMUDEEY, THE INK BLDT! OOPS!

ARTIST'S BOO-BOOS, SERIES 1

While you were gone, the roof of the house transformed into a gigantic pompadour.

Gadzooks! More crummy special effects!

This's more serious than I thought! Yow!

Spirit that posseses this house reveal yourself!!!

AWL RAHT
AH WILL!

Zowie!
It's ELVIS!!

Yow!
I'll be!

The King? But why? Why our house?

THE END

A lot of today's game shows deal with some sort of interaction between couples. The ever-vigilant CRACKED has discovered that all these games are actually tied together in a weird symbiotic relationship! We'll show you how it works as we start with...

THE LOVESICK CONNECTION

FRANK CARUSO writer/artist

Hey! I'm Chuck Foolery on the Lovesick Connection! Let's meet our first guest, Nick Snidely, who says he respects women, works as a photographer and his idol is Hugh Hefner! What brings you to our show, Nick...besides being desperate?

I want to meet some new faces. I'd like to meet an intelligent girl who loves the outdoors and who shares my interests so we could work together. I spend a lot of time in my field!

The field of photography?

No...the field behind my house!

We had the audience cast their votes and they chose the same girl, number 2, Michele Simp. Her idea of fun is to hang realistic landscape paintings outdoors and watch birds fly into them!

Great! I collect dead birds!

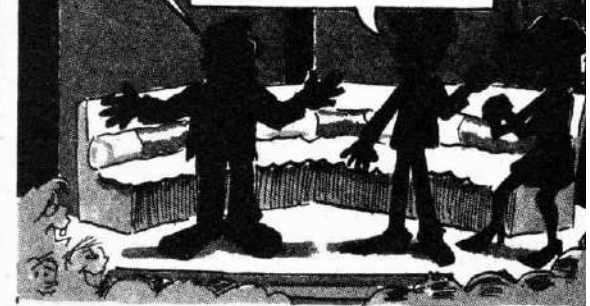

Now you two losers...er...lovebirds will have to come back and tell us how the date went! Where do you plan to take her?

Nick says it begins with an "H" and ends with an "I"!

Does that mean Hawaii?!?

No, it means Holiday Inn!

So, how did everything go?

Excellent! We got two sparrows!

Sounds like you two really hit it off! Any future plans?

Yeah, Las Vegas on Monday and Niagra Falls by Tuesday!

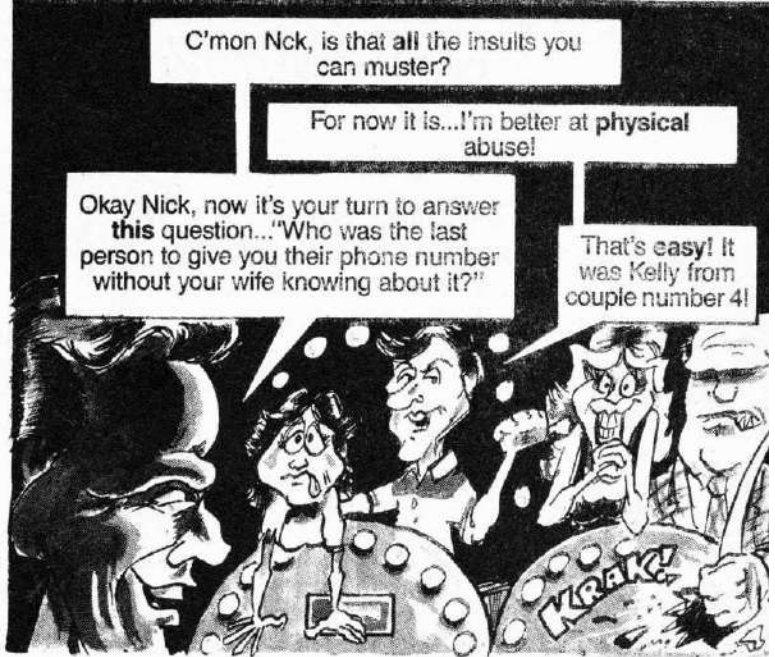

Congratulations! That's another happy couple brought together on the Lovesick Connection! After you get married, you'll be ready to meet my buddy Bob Eubank on...

The Newlydread Game! Welcome couples! As you know, the object of the game is **not** how many points you get, but how many hidden secrets or insults we can pry from the husband and wife teams.

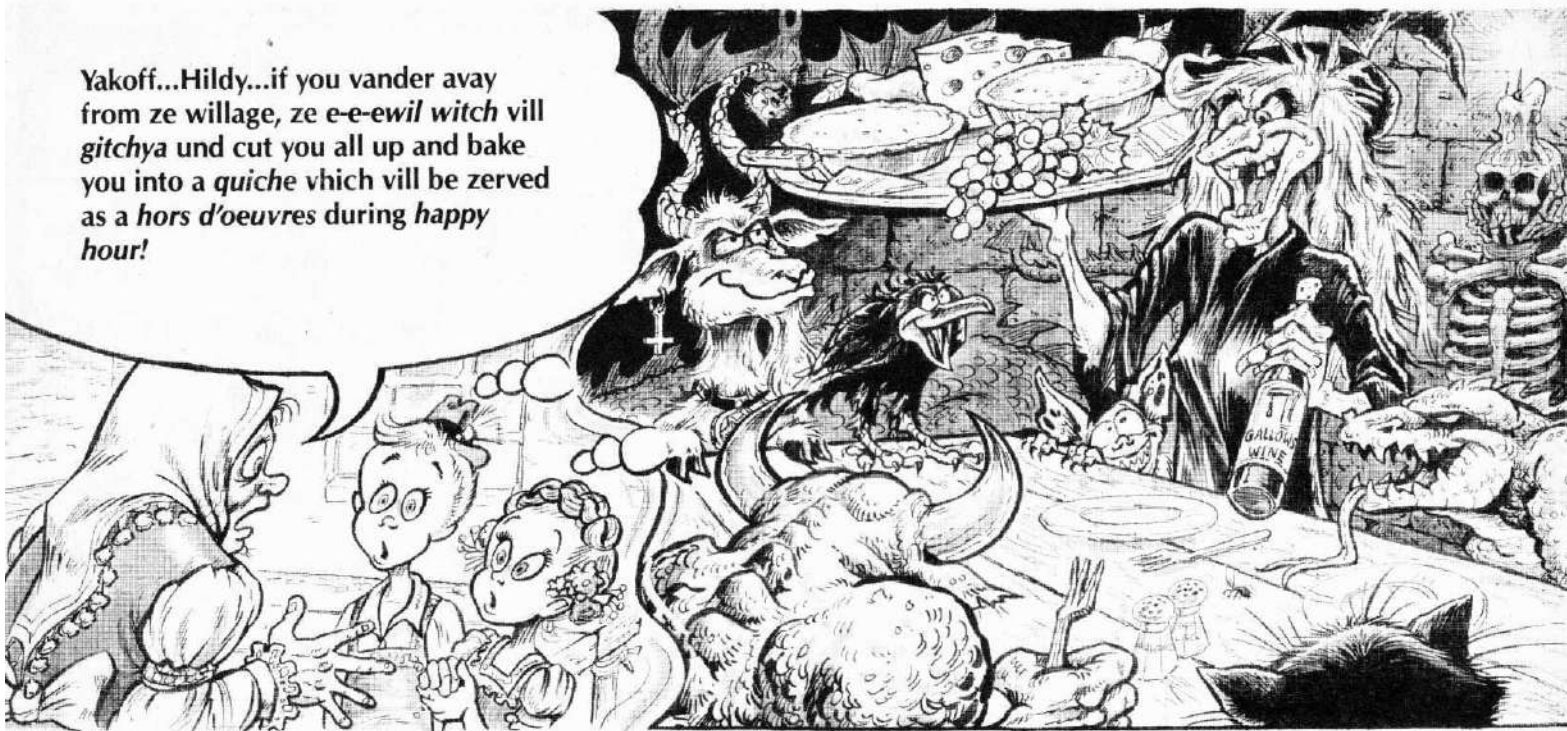

I've asked the wives who their favorite male performer is. Let's go to couple number 3, Nick and Michele. Who is **your** favorite, Michele?

IN THE GOOD OL' DAYS, PARENTS COULD TELL THEIR CHILDREN

HORROR TALES FOR THE 80's

WORDS N' PICTURES by SHAWN KERI

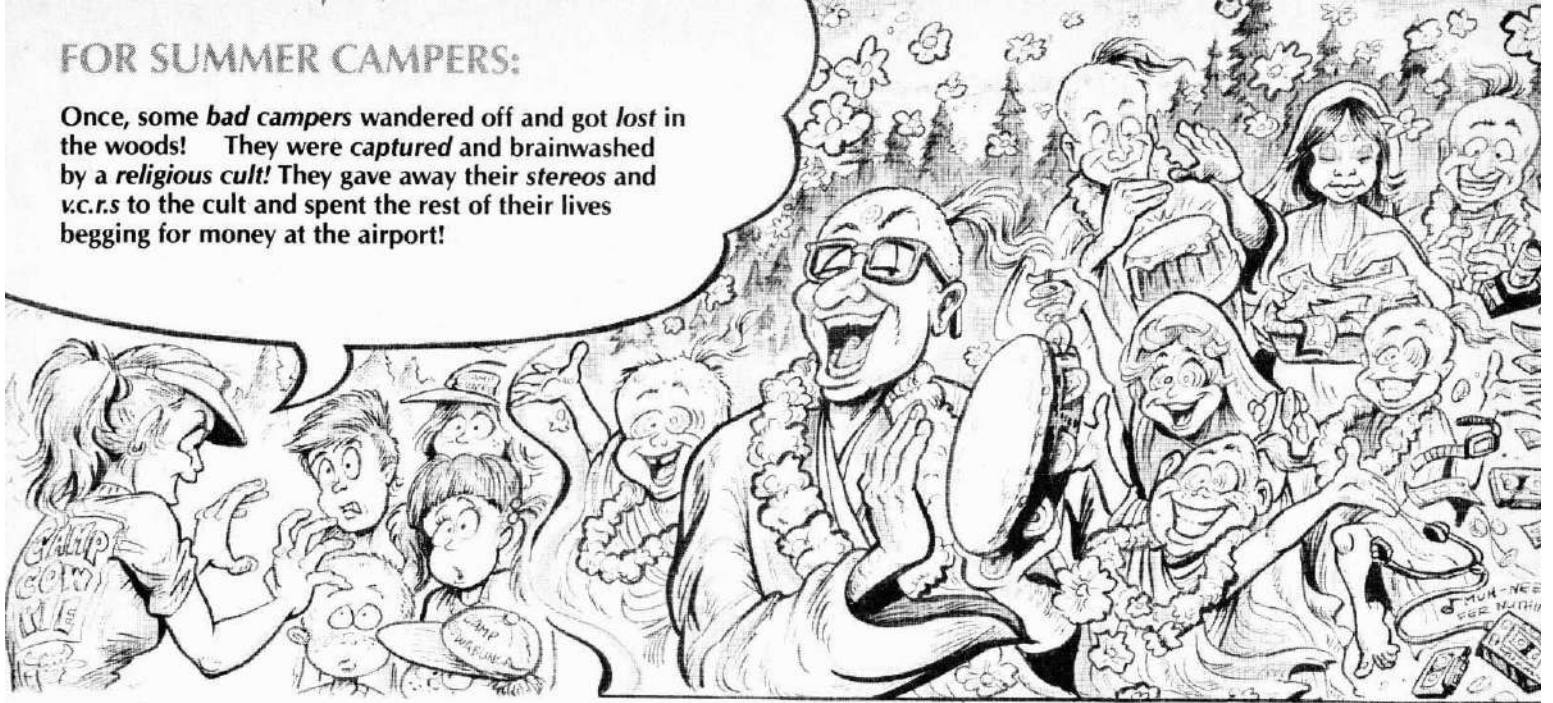

FOR ROCK GROUPIES:

There were these two girls who were so
obsessed with this rock band that they would
do *anything* to meet them! When they finally
got backstage, it turned out that all the guys
in the band were *married*, and they turned
the girls over to their opening act!!

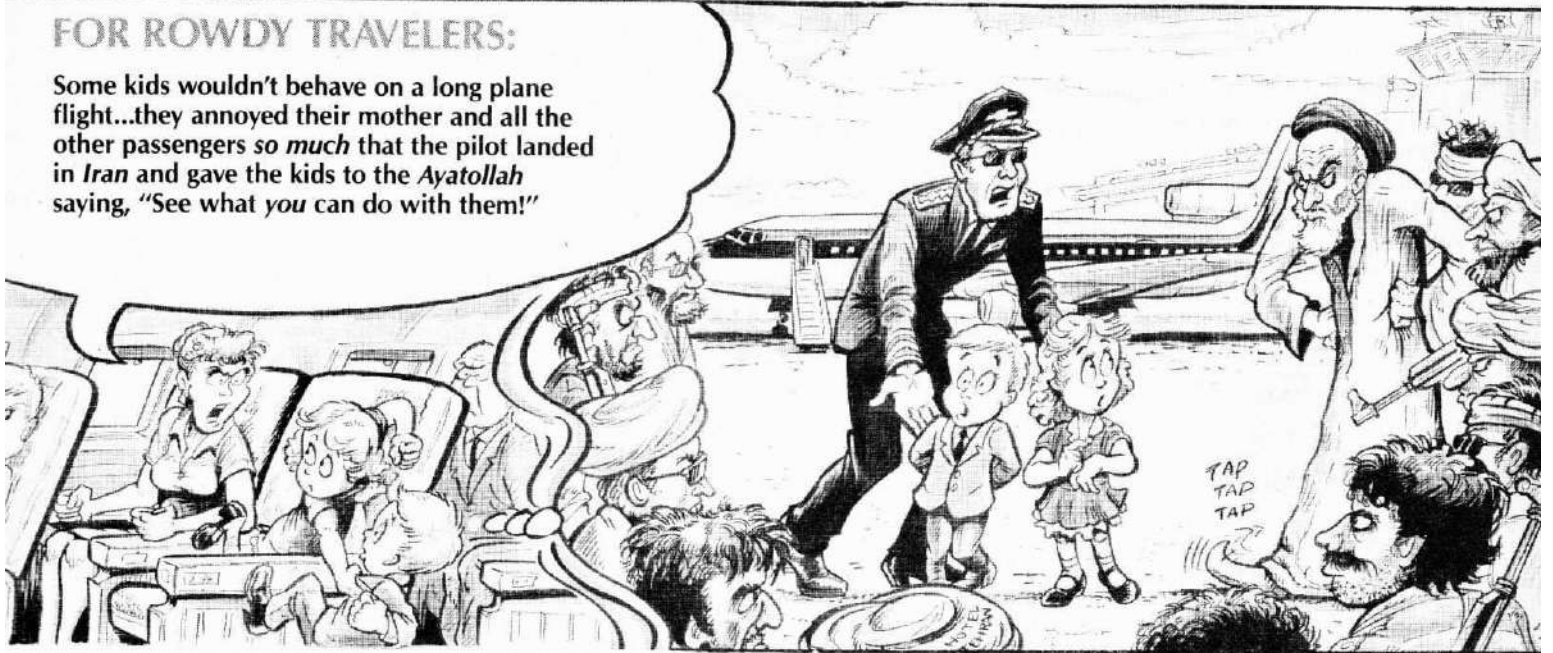

FOR SUMMER CAMPERS:

Once, some *bad campers* wandered off and got *lost* in the woods! They were *captured* and brainwashed by a *religious cult*! They gave away their *stereos* and *v.c.r.s* to the cult and spent the rest of their lives begging for money at the airport!

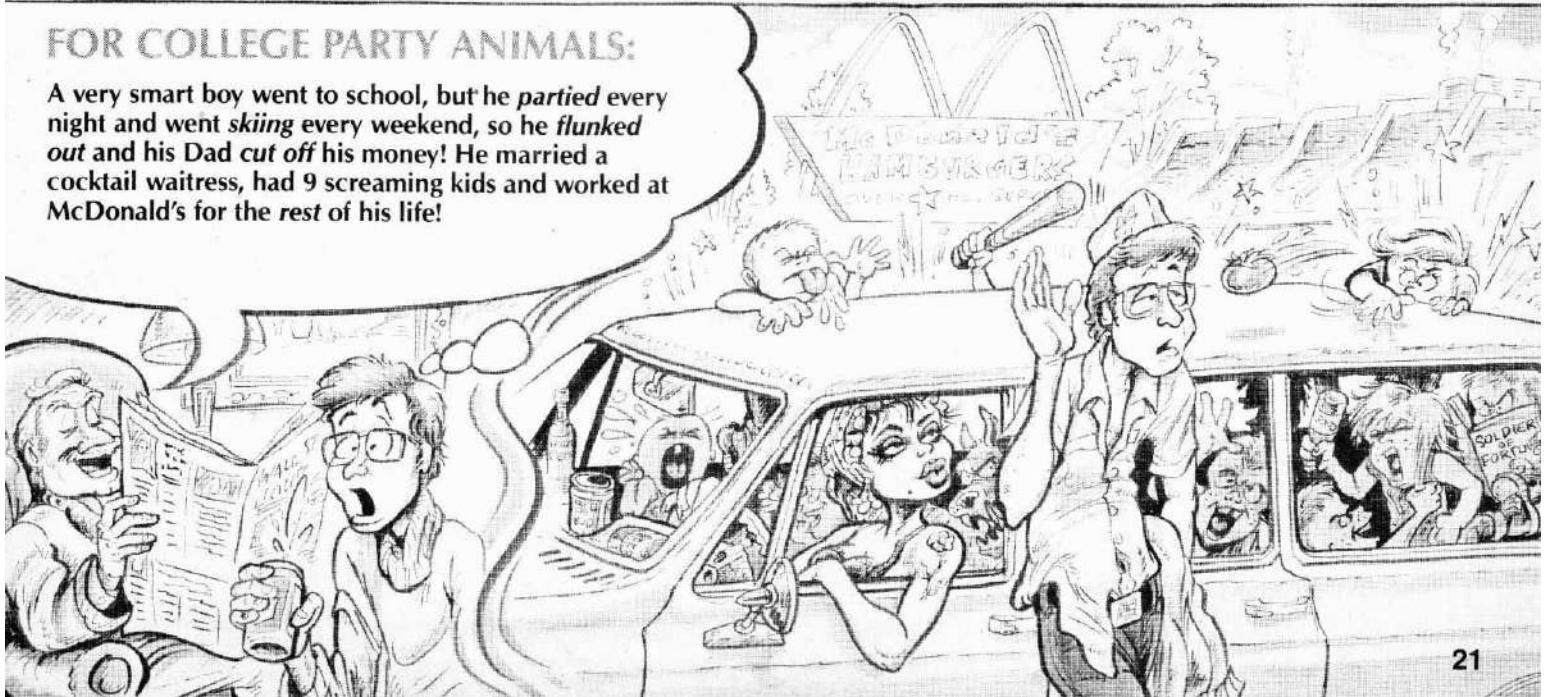

FOR ROWDY TRAVELERS:

Some kids wouldn't behave on a long plane flight...they annoyed their mother and all the other passengers so *much* that the pilot landed in *Iran* and gave the kids to the *Ayatollah* saying, "See what you can do with them!"

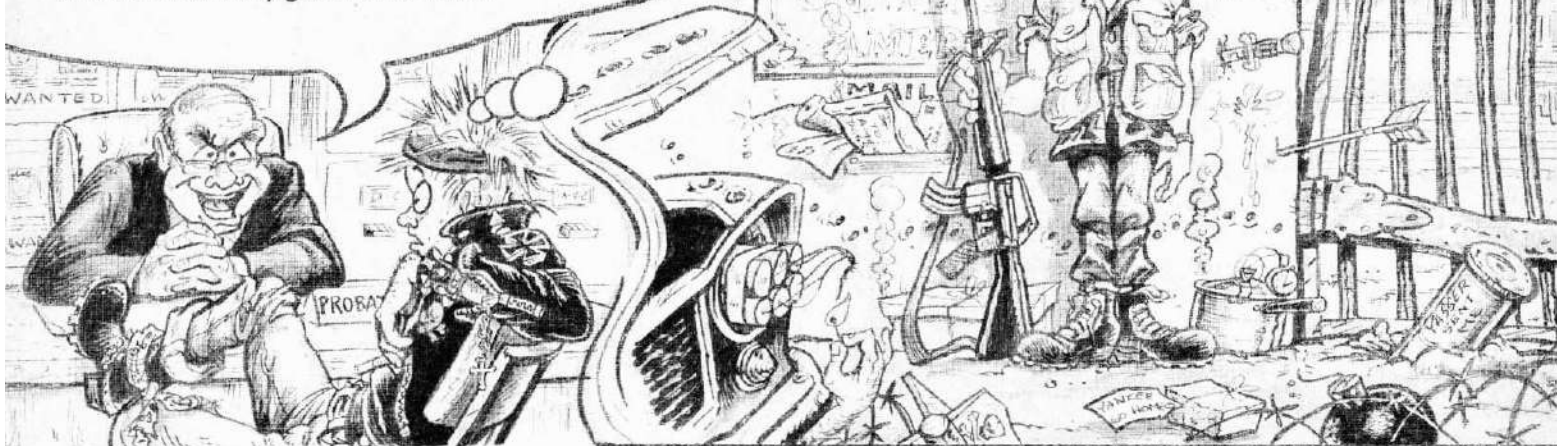

FOR COLLEGE PARTY ANIMALS:

A very smart boy went to school, but he *partied* every night and went *skiing* every weekend, so he *flunked out* and his Dad *cut off* his money! He married a cocktail waitress, had 9 screaming kids and worked at McDonald's for the rest of his life!

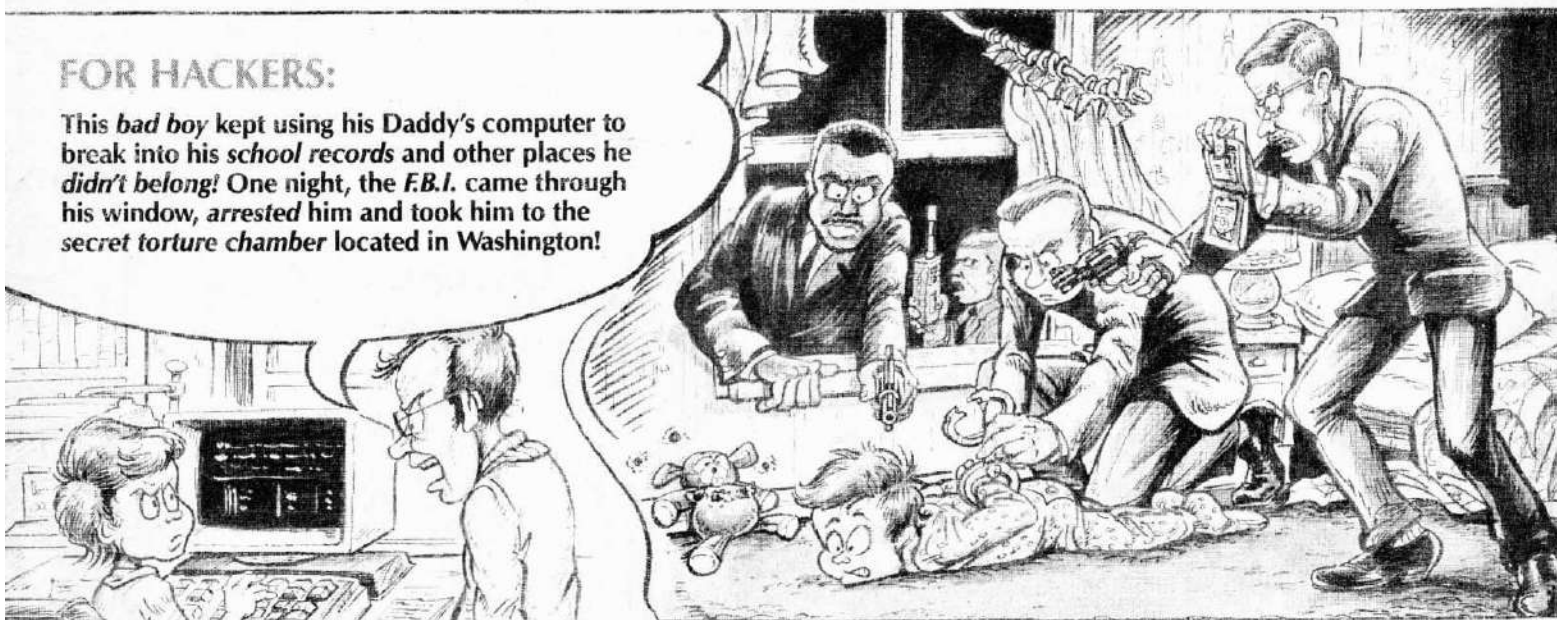

FOR CONSTANT TROUBLEMAKERS:

A punk just *couldn't* be reformed, so a judge gave him a choice...the armed services or jail! He chose the *Marines* and they made him an American Embassy guard in *Lebanon*!

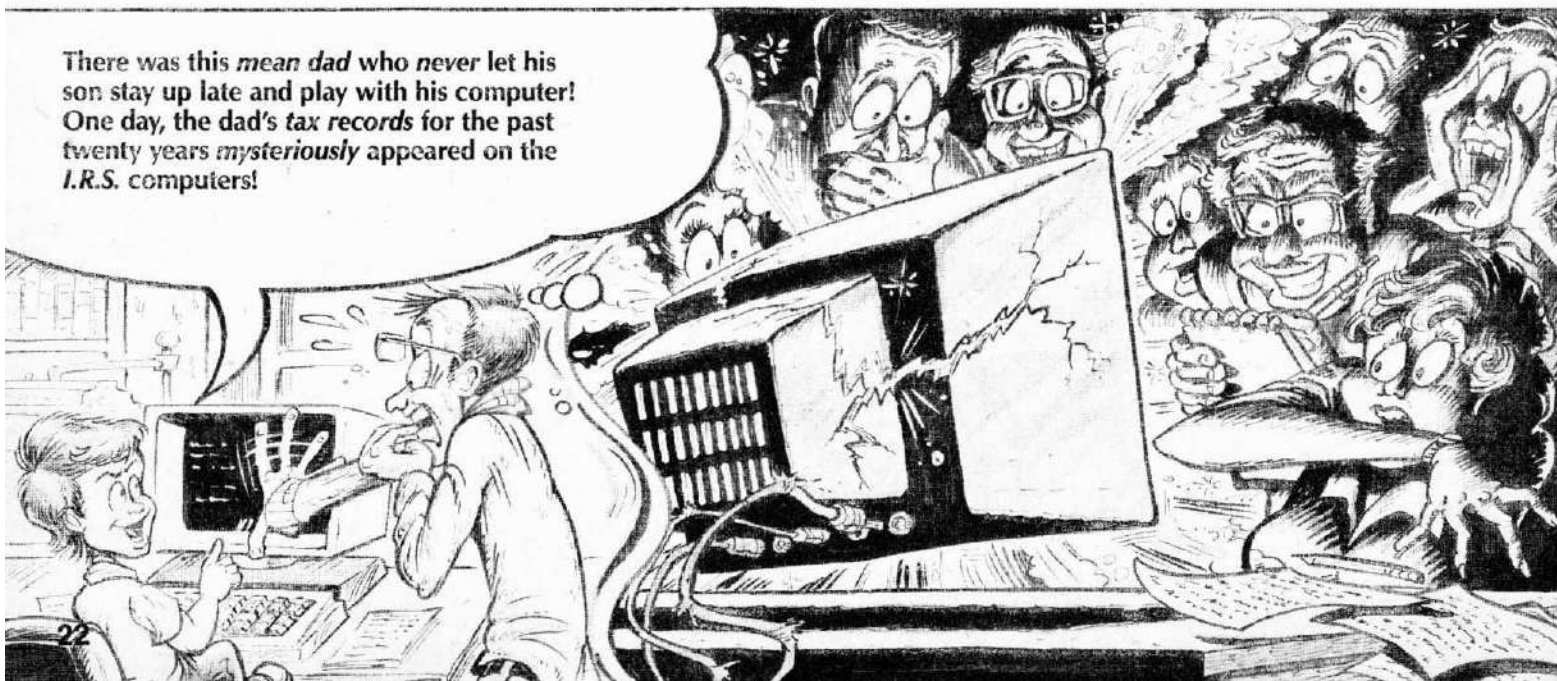

FOR HACKERS:

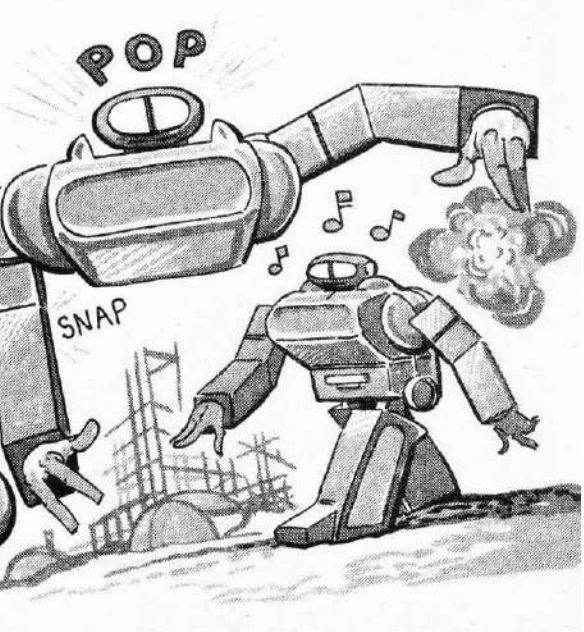

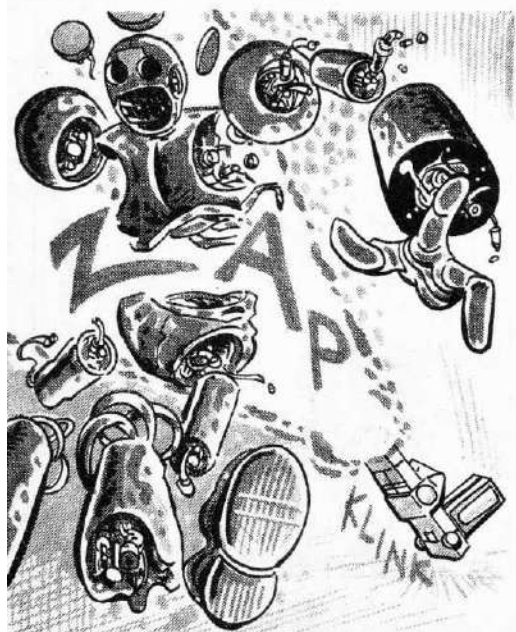

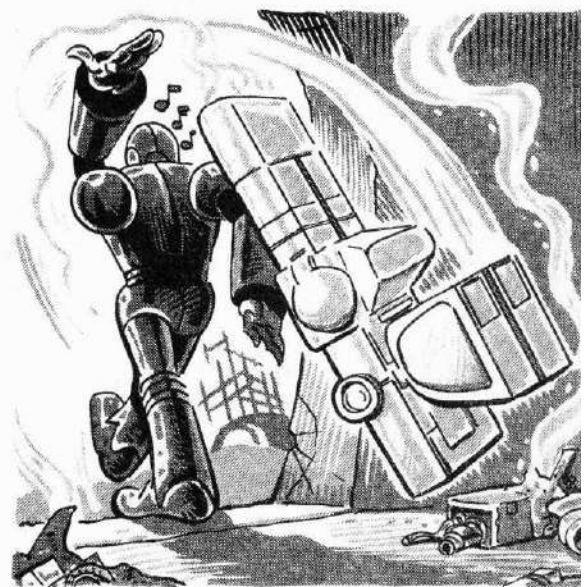

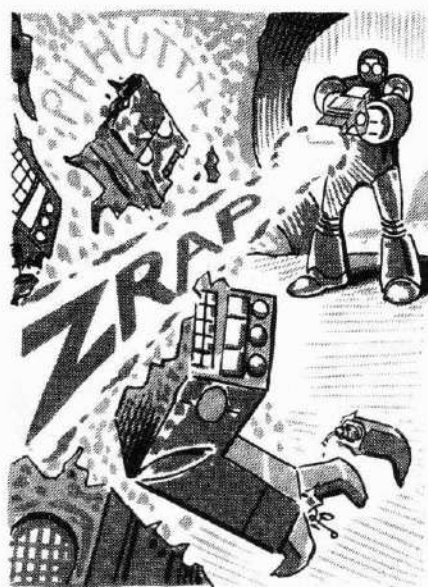

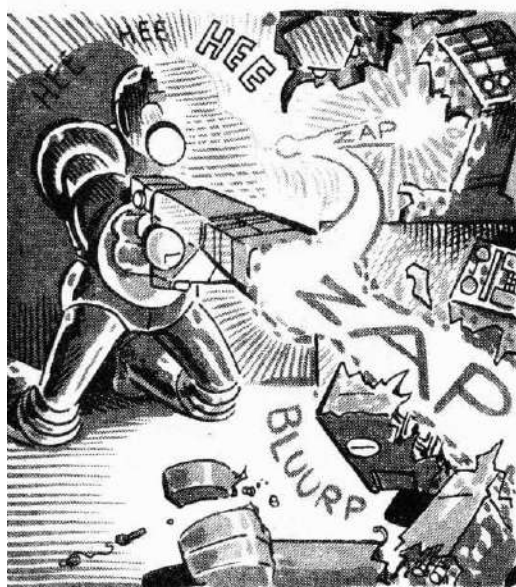

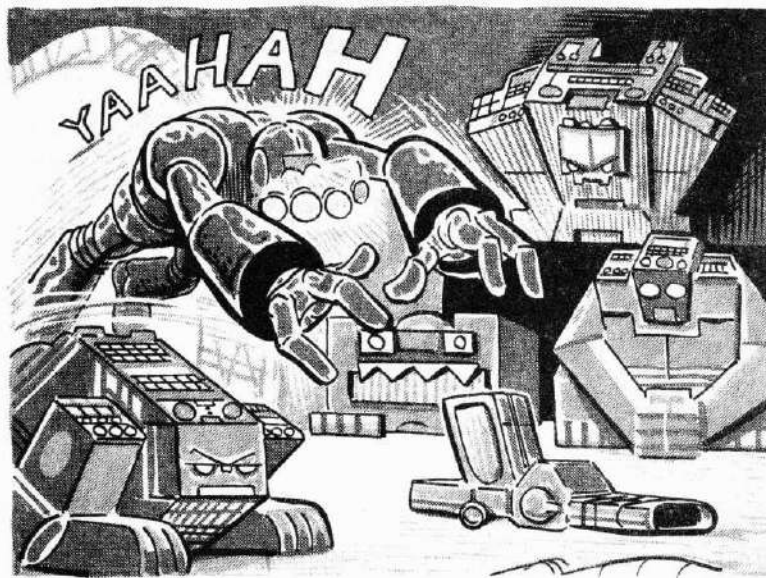

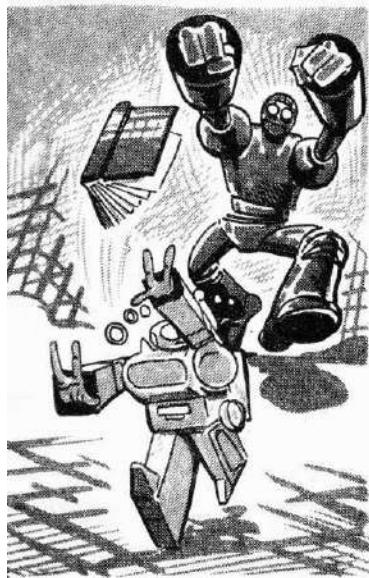

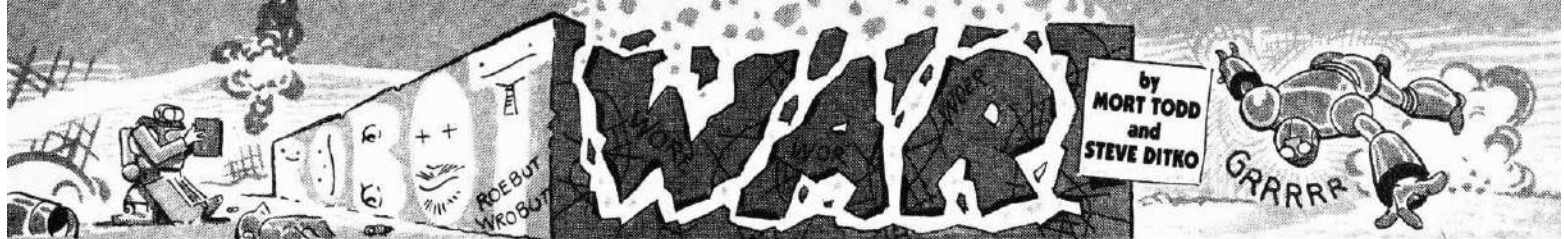

This *bad boy* kept using his Daddy's computer to break into his *school records* and other places he *didn't belong*! One night, the *F.B.I.* came through his window, *arrested* him and took him to the *secret torture chamber* located in Washington!

BUT IN ALL FAIRNESS, WE SHOULD ARM YOU KIDS WITH AT LEAST ONE REALLY SCARY STORY TO TELL YOUR FOLKS:

There was this *mean dad* who *never* let his son stay up late and play with his computer! One day, the dad's *tax records* for the past twenty years *mysteriously* appeared on the *I.R.S.* computers!

It'd take **dozens** of fingers (as a majority of our readers do, in fact, have) to count up the number of sequels sprung from movies like the EXCORIST, FRIDAY XIII and others...but it's **nothing** new! How 'bout all them FRANKENSTEIN pictures in the 1930's, huh? And like FRANKIE hadda eventually team up with other horror greats (DRACULA, ABBOTT and COSTELLO, etc.), so must current fear series in order to sustain viewer interest! How long will we be staying here, honey?

No! I mean someone tried to **jab** me while I was in the shower!

I'm sorry Mrs. Freelinsick, that was my...mother! She's a cleanliness freak and likes to scub where people can't reach!

Yes... everywhere, except...

No! Don't say it! They couldn't've been taken to...the **Other Side!** **No! Not again!**

No, not the **Other Side**, I was talking about **outside!**

How come we didn't notice this humungous recreational vehicle out here, before?

Because the fog has just lifted to conveniently reveal an **amazing** plot twist!

Let's look inside!

It's **Steven Schpielburg!** He kidnapped them!

Kidnap? Heck, no! I just signed them to **exclusive contracts** so they won't appear in any more **POLTERGHOST** rip-offs that I'm not involved in!

er...Mr. Schpielburg?

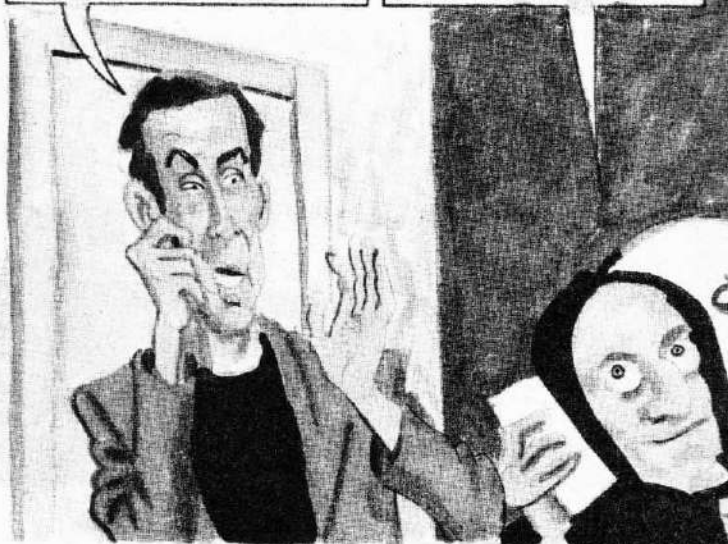

Yes?

Um, y'got any of them **exclusive contracts** for us?

Y'know Hugo, I **love** stories with **happy endings!** I wish **we** had one!

You **do**, sir! I just came from the movie studio that produces your **PSYCKO** pics!

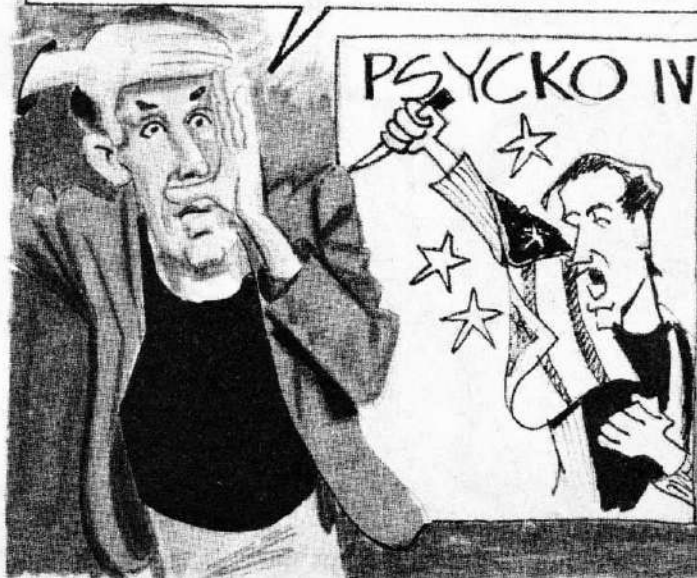

Excellent! My last **PSYCKO** movie was a box office **sensation!** It's almost as big as **ROCKEY** and they want me to do **another!**

Congratulations! Any idea what the plot will be **this** time?

Yeah, I have a completely original idea! There'll be this Russian psychopath who'll challenge **me**, the original American nutcase, and...

Dear CRACKED,
What's all this about a CRACKED movie?

Jacob Young
Lynne Haven FL

The CRACKED movie is a HOAX that's been floating around the letters page. We have printed stories featuring CRACKED regulars like SYLVESTER, NANNY DICKERING and SAGEBRUSH in a SERIES called the CRACKED MOVIE. All five of them will be printed together in the KING-SIZED CRACKED MOVIE MARATHON on sale around the end of April. CRACKED MOVIE VI may even appear as soon as next issue!

Dear CRACKED,
I think the idea of CRACKED Pen Pals is great! I'd like to know some of the dudes brave enough to read your magazine!

Mari Kerley

If YOU want to be a CRACKED PEN PAL, too, be sure to say so in your letter. Include your FULL address and age!

Dear CRACKED,
I think I thought you would like a letter from an English reader for a change! CRACKED is a great laugh from front to back. I have a load of them dating back to 1976. Is there anyway to get back issues?

Timothy Northrop
Ramsgate, Kent ENG

Are you implying that our readers can't read ENGLISH? Sorry, we don't have any back issues for sale right now. Maybe a reader can write in and help.

Dear CRACKED,
I think it would be neat to see what some of your staff looks like!

Roxanne Grandis
Richmond VA

Your wish is our command, Rocky! But remember... YOU ASKED FOR IT! See page 12 for our first spotlight on our artists, with that internationally infamous illustrator DON OREHEK!

Dear CRACKED,
Happy Belated Birthday! In honor of your 28th, I've decided to subscribe! Say, what about a spoof on good ol' Dr. Ruth? Maybe Nanny Dickering could interview her!

Mike Simpson
Rochester NY

Thanks for the birthday card AND gift, Mike! DR. RUTH appears next issue as a celebrity contestant on SQUEEEAL of FORTUNE, while NANNY will be busy interviewing STEVEN SCHPIELBERG.

Dear CRACKED,
I love all your issues, but I think ones with the Uggle Family are extra-funny! When will they show up next?

Alisson Furman
Bricktown NJ

Look no further than page 39, Ali!

Dear CRACKED,
Mike Ricigliano's Spys & Saboteurs cartoons are a riot! Hope we see more of him this year. By the way, did that guy who was lookin' for Spot ever find him?

Giggles
Toronto ONT CAN

We're glad to have RICIG back and he has promised to do more stuff for CRACKED in '86.

Dear CRACKED,
You guys are deadly! I loved G.I. Joke in #218! You should continue it! I watch the TV cartoon and it can get pretty boring! I think the Uggleys are great. Keep up the good work!

Darren Asher
Quesnel BC CAN

Were planning to run G.I. JOKE as a feature along with SUPER SYLVESTER in future issues of SUPER CRACKED. What do you think, readers?

Dear CRACKED,
I liked your CRACKED RAMBOZO poster. Why don't you do one on Madonna?

Kelly Roberts
South Portland ME

Good idea! What do you think of this issue's color poster of SYLVESTER as DEE SNYDER by BILL WRAY?

Dear CRACKED,
At the end of G.I. Joke, it said, 'Wanna see a Boltron vs Transdeformers battle? I'm writing in to say yes! I hope you make one up and put it out!'

Neil Humann
East Detroit MI

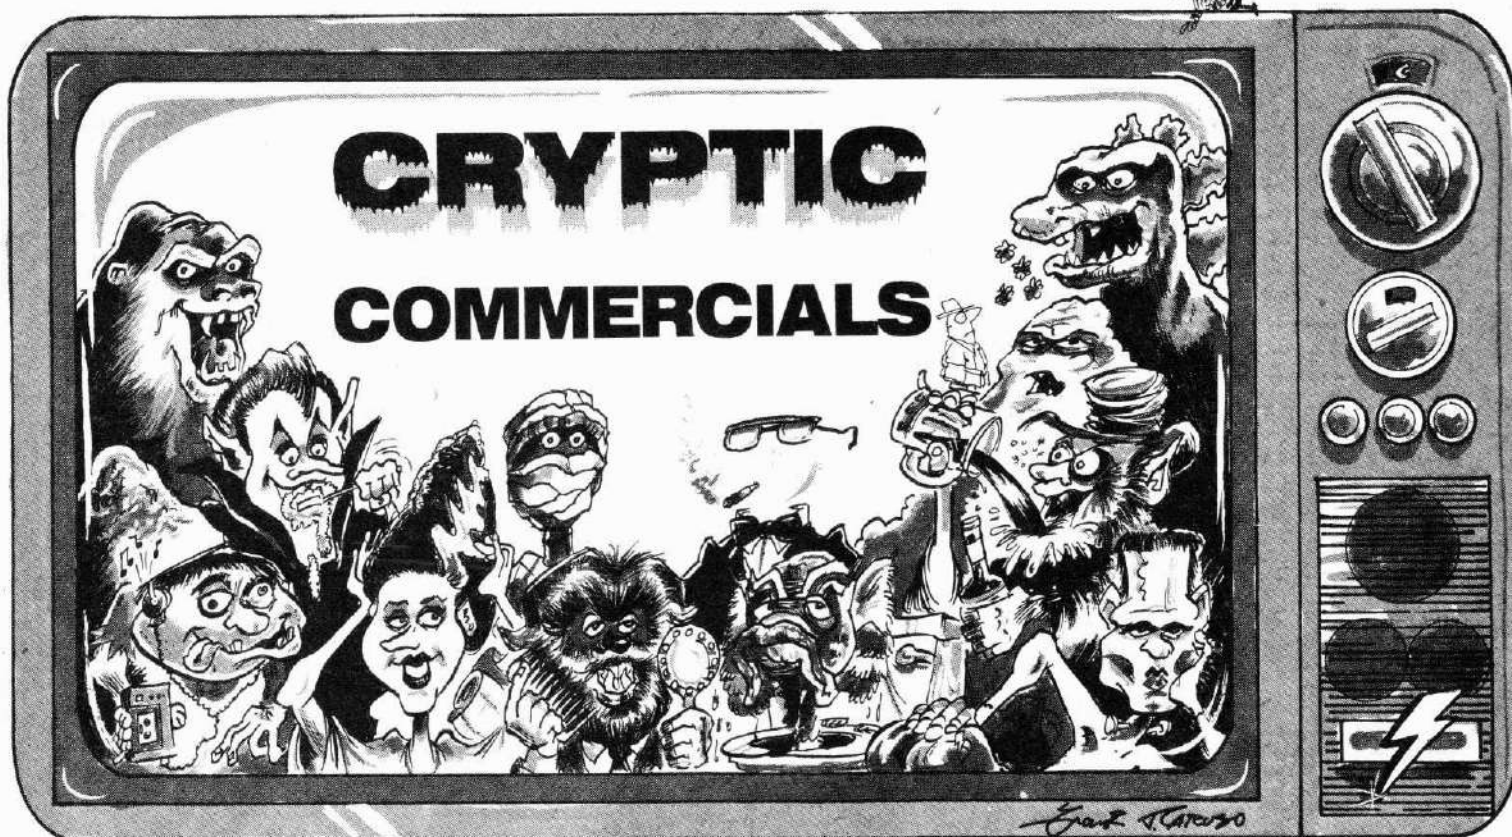

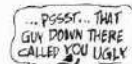

You aren't the ONLY one to feel that way! Included were; GARRY MORIARTY, Appleton WI; SAHSHA ANDRADE, Ft. FRANK N. STEIN DESIGNER JEANS

You may go for the classy look,
In Gloria's blue jeans,
Or you may like the rough look,
as worn my Springsteen!

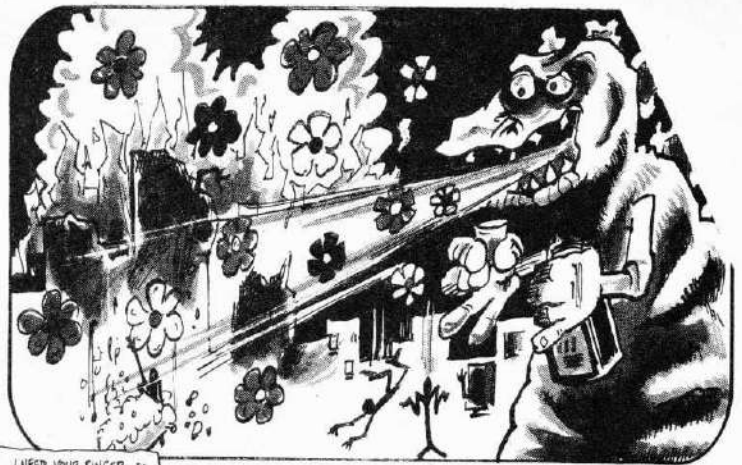

There's just one jean
That may come between

That's this pair, designed by Frank N. Stein!

The MUMMY for CHARMEN

Mr. Whipple says, "Please don't squeeze it!"
He claims it's soft as a feather!
What he doesn't know about the stuff,
Is that it keeps me together!

He knows more than me about Charmen,
I wouldn't even doubt it!
I'm sure he even knows how it feels
To be stuck without it!

GODZILLA for LESTERINE

When stomping through those cities,
Wreaking pain and death,
There's one thing I worry about,
And that is my bad breath!

That's why I gargle with Lesterine,
I'm their biggest fan!
Now at least there's a pleasant odor,
As I burn down Japan!

KING KONG for WINDREX

I love to climb up buildings,
but their windows end up as wrecks,
Though clean up never bothers me,
As long as I have Windrex!

The only thing that upsets me,
Is when pigeons ruin my job!

The BLOB for DEX-O-TRIM

I'm trying to lose some weight,
I just can't seem to win!
Now that they got all those diet pills,
I'll try some DEX-O-TRIM!

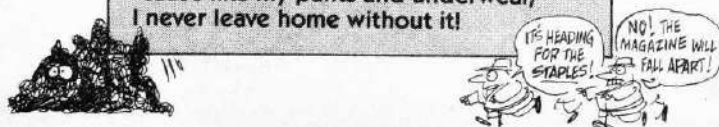

I know my problem! I eat too much
of my massive dinners!
Now at meals, I cut out fats
And eat only people who're thinner!

The INVISIBLE MAN for AMERICAN EXCESS

Yeah, I'm considered a celebrity,
a title that is pretty fair.
Yet some times I'm treated by my public,
Like I'm not even there!

The American Excess card is all I need,
and my ID's rarely doubted...
'Cause like my pants and underwear,
I never leave home without it!

A SALUTE TO RUSSIAN FASHIONS

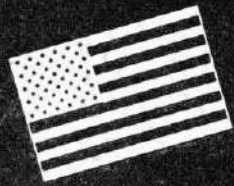

Guess who's coming to dinner? One of the results of the Geneva Summit is America and Russia agreeing to have their heads of state visit each other's country. We'll probably have an article in the future about President Reagan in Russia, but since Gorby picked the short straw and is coming over **HERE** first, we at **CRACKED** present . . .

Cigarette smoking threatens your health, annoys others, costs LOTS of money and sets a bad example for the future generation. This article suggests many ways to STOP smoking, but we at CRACKED advise that the BEST way to is...

When you've made up your mind to quit, be fair and honest...pick a target date to stop!

If you're sincere about quitting, promise in the presence of witnesses!

You're not sincere if you promise in a setting like this!

Discard everything you associate with smoking...cigarettes, matches, lighters, pipes, ashtrays, beer, clothes, favorite chair, etc, etc...

Don't dwell on the fact that you will be quitting forever! Live one day at a time! I'll only seem like forever!

If you associate smoking with drinking coffee, avoid coffee and drink a substitute!

Be careful what you substitute for the coffee...it may be more hazardous than smoking!

Also use substitutes for your oral fixation...like f'rinstance raisins, gum, lolly pops, licorise and other tooth decayers!

DON'T EVEN START!!

Eating candy *may* stop your smoking,
but it can also rot your teeth out *real*
quick!

So try other oral substitutions, such
as celery, lettuce, carrots and
radishes!

But eating too much of the veggie
substitutes can cause *physical*
changes as well as *behaviorial*
changes!

If you miss the feeling of having a cig butt in your hand, do *other* things to keep
your paws busy. Keep a "kitty" cup nearby...you can pick up extra cash if people
like your performance!

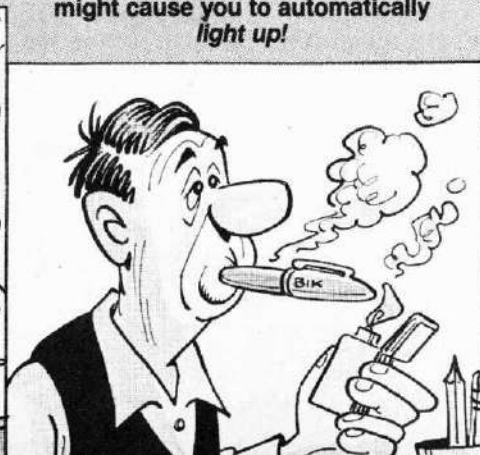

Try deep breathing exercises. This is
the proper way to do them...

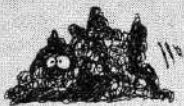

This is the *incorrect* way to do
breathing exercises!

Don't put *anything* shaped like a
cigarette in your mouth! Pencils and
ball-point pens are a *no-no*! They
might cause you to automatically
light up!

Then you'll have the even harder
problem of breaking the *ball-point*
pen habit!

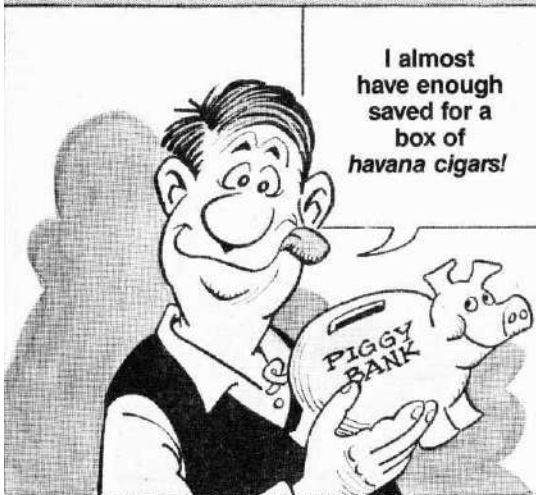

Save the money you'd've spent on smokes and buy yourself that *treat* you've always wanted!

When you're tempted to smoke, take a shower instead!

It's very important to exercise! Exercise will thwart the urge to smoke...but do it *indoors*!

I almost have enough saved for a box of havana cigars!

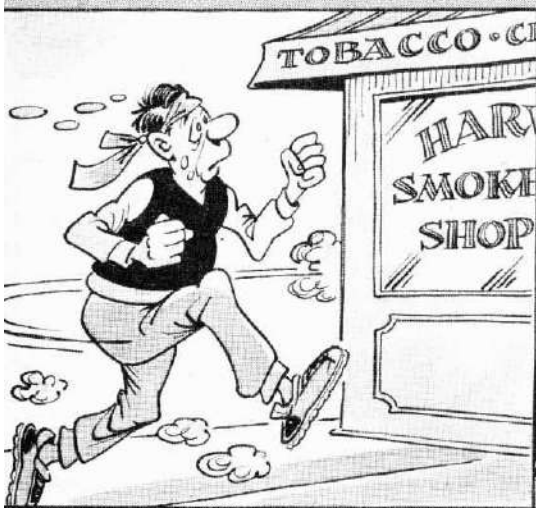

C'mon outta there, Dad! Ya been in the shower for three straight months!

P-PUFF-F PUFF-PUFF

Don't jog! Jogging outdoors is bad! The temptation to jog to a smoke shop could be dangerous to your health!

Instead of striking a match, strike up a conversation with someone...*anyone*! This can save you from lighting up, but it could also be dangerous!

Hello, Miss...How are—

You fresh creep!

Celebrate each month on the anniversary of your quit date. Be good to yourself...plan something *special*!

How you gonna celebrate?

Eat good nourishing food. When you want to smoke, grab a bite instead!

When the long ordeal is over and you've finally beat that nasty habit, go to your doctor for a check-up! Get ready for the good news!

You've gained 72 pounds since you quit smoking! *Dangerous!* I'm putting you on a strict diet! First thing you do is set a target date! Then...

OH, NO!

Do you know me? My first movie was about a poor little witch girl at her prom, called S'CARRIE!
I also created the epic about PRISTINE, the possessed car, as well as KITCHYCUJO and THE

terrifying experience of my life as...

INTERVIEWS

STEPHEN KINK

THE HORROR KING!

Hello CRACKED fans! Nanny Dickering here in
Innsmouth, Maine at the castle retreat of a man who
has scared *more* people with his *horror* books and
movies than *anyone* else (except maybe Mark
Twain)...Mr. Stephen Kink!

That's my
name! And if
you don't
believe it,
here it is,
written on
my American
Ex...

Stephen!
CRACKED
doesn't
allow
plugs in
the
magazine!

Sorry!
As their
spokesman, I
get extra money
when I mention
*American
Excess!*
Oooops!
I did it
again!

How do you get all those
scary ideas for stories

You mean besides swiping them from
CRACKED? No, actually my work room
inspires me! Would you like to see it? My
butler, Hermie, will lead the way!

So *this* is where you do all your writing. No wonder your stories are so weird! Who's that over there?

Oh, that's my maid. Spooky cobwebs are great for creating the right mood to write, but I can't stand icky spiders! My maid comes in twice a week to lay down new *artificial* spider webs!

Let's talk about some of your books that have been made into movies. The first one was *S'CARRIE*! How would you describe her character?

That's typical?

She's your *typical* teenage gal. She likes to gab on the phone, go to dances, set kids at school on fire...

It is where I come from!

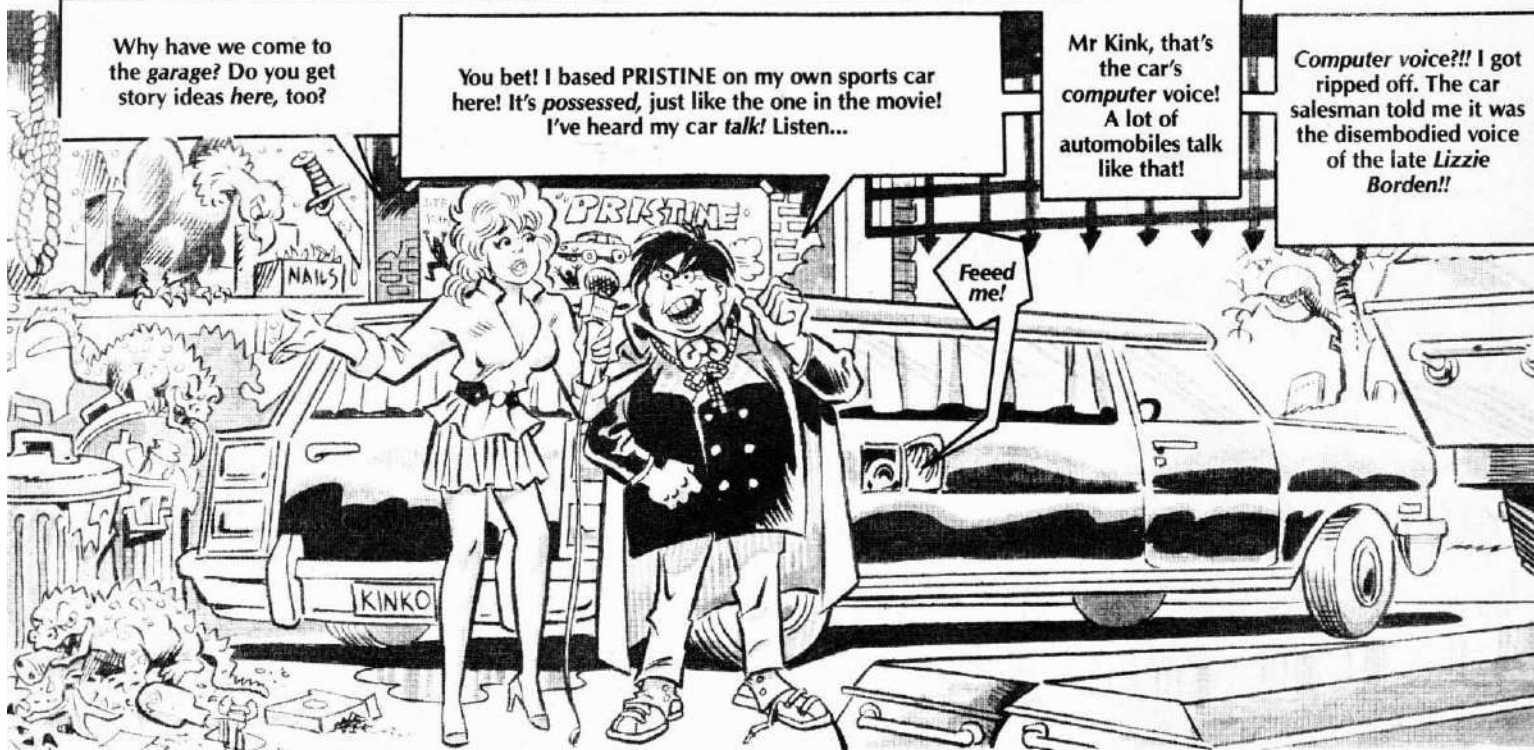

Why have we come to the garage? Do you get story ideas *here*, too?

You bet! I based *PRISTINE* on my own sports car here! It's *possessed*, just like the one in the movie! I've heard my car *talk*! Listen...

Mr Kink, that's the car's *computer* voice! A lot of automobiles talk like that!

Computer voice?! I got ripped off. The car salesman told me it was the disembodied voice of the late Lizzie Borden!!

How did you like what Stanley Kubrikhead did with your novel, the *SHOESHINING*?

There were *certain* parts I didn't like...

Which parts?

The parts that came right after the opening credits!

This Movie, *KITCHYCUJO*, was about a dog who becomes possessed, right?

The dog's possessed until the owner, who bought him on credit, can't make a payment. Then the dog becomes repossessed!

How did the animal trainers make the dog act so beserk?

They told him how little he was being paid for the movie!

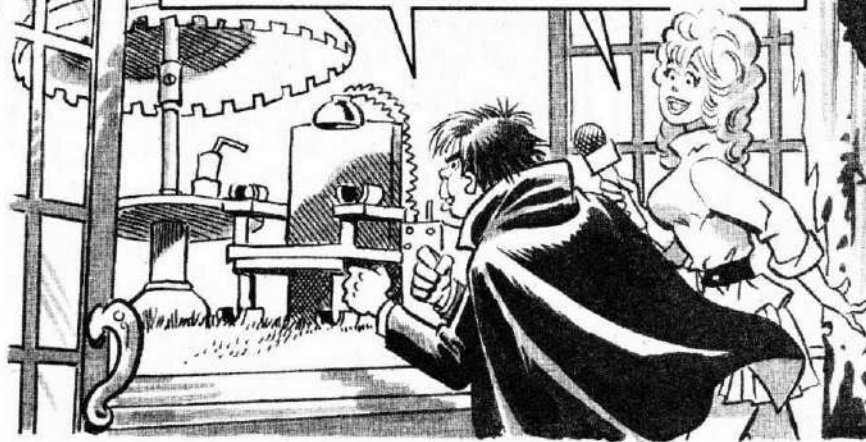

Did you watch many animal films, like LASSIE, when you were a kid?

Yeah, but they always bothered me! Not once did you see Lassie levitate, spit flames or devour people and it bugged me!

How did FIRESTARTERUPPER with Drool Barrymore do at the box-office?

It wasn't too hot! But I understand it's burning up sales on the home video market! They tell me it's a favorite of pyromaniacs!

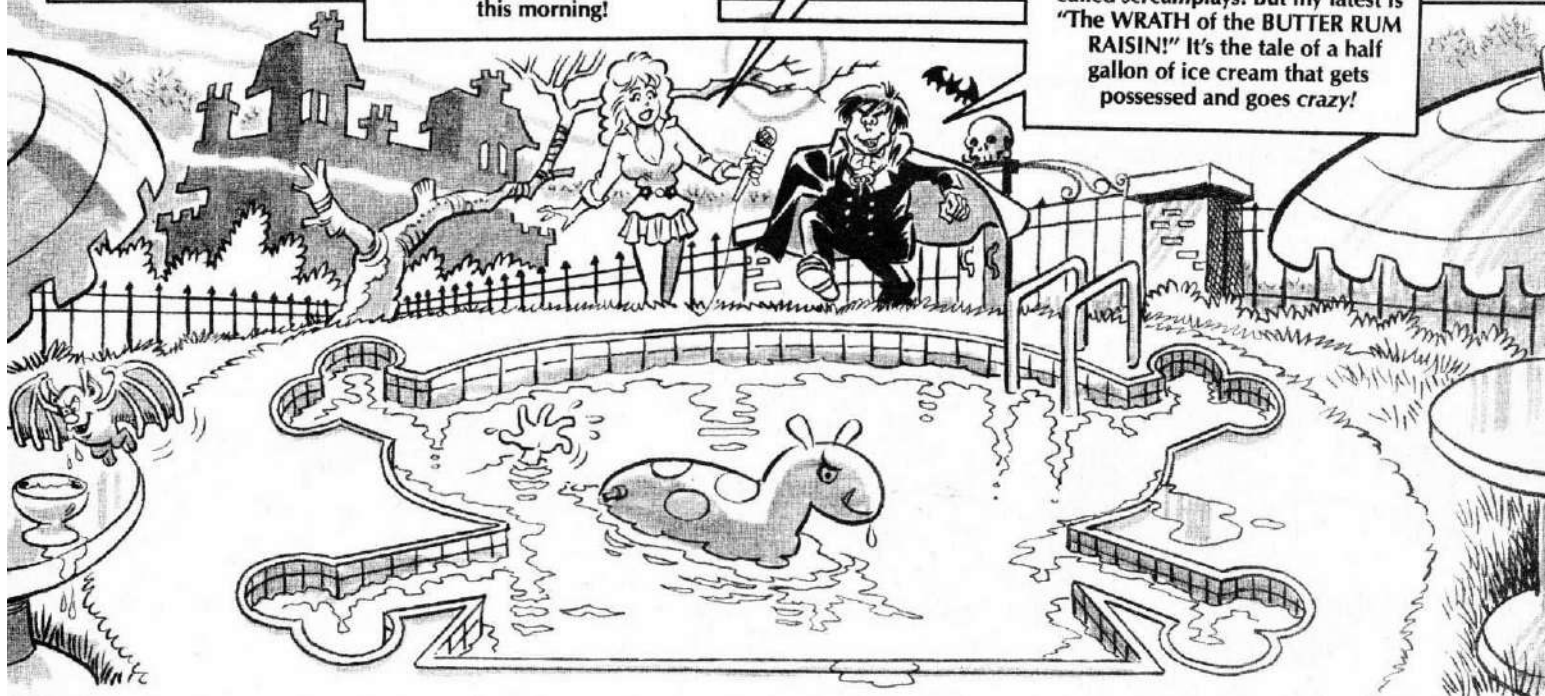

Tell me Mr. Kink, what's the latest thing you've written?

It must've been that check for the dry cleaners that I wrote this morning!

Actually, I meant more in the way of novels or screenplays!

In my line of work, Nanny, they're called screamploys! But my latest is "The WRATH of the BUTTER RUM RAISIN!" It's the tale of a half gallon of ice cream that gets possessed and goes crazy!

Sounds chilling!

A recent accomplishment is that I just finished my first job at directing!

Directing a film?

No, directing traffic! of course a film! It's called OVERDONE!

Can you tell us who is in the movie?

I'll tell you that it's a big teen heart throb, but I won't give out the actor's name!

Why not? For suspense purposes?

No...mainly 'cause I forgot his name!

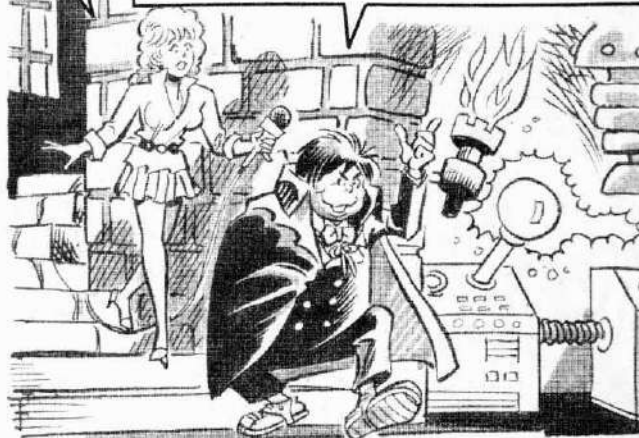

Just look at all these books you've written! I understand that you used to use a pseudonym, Rich Backwash, and now that the secret is out, they are instant *best-sellers*! All this plus screenplays, directing...Mr. Kink you're *prolific*!

I am?
Lessee...pre..
pro..proj...pro-
lif-ic...Why
thank
you!

Where are
we going
now?

I'm going to show you how my *creative process* develops! A lot of my ideas come from my dreams...the *subconscious*! Usually you *forget* your dreams when you wake up...!

...With this device strapped to my noggin, I'll be able to later monitor my dreams and develop them into full blown money-makin' blockbuster stories!

I check on the mawster. When Mr. Kink's eyes move rapidly, he is in a dream state and his thoughts are recorded. We wake him when his eyes stop jiggling!

According to this, I had a dream that a whole bunch of *Walkmen* radios sprouted legs and conquered the world by playing *Mötley Crüe* too loud!

Brilliant sir! Some producers are outside to buy the story and start shooting tomorrow!

Amazing! So it's your strange dreams that are responsible for all those successful fright epics!

It's more like these strange chili peppers I eat that are responsible for all those successful fright epics! (URP)

Of all your pictures, which is your favorite?

I kinda like this one of me on a pony!
However, if you mean motion pictures,
I think I'd pick my first one, S'CARRIE!

What did you like best
about it?

It's the one that made the most
money!

Good point! SILVERY BULLET was a dud!
SALMON'S LOT just layed there like a lox!
Your CREEP'S SHOW was...

Okay, okay! So they weren't all
mega-hits! Don't rub it in!

Hope you don't mind
if I relax while I
answer your
questions!

Er...no problem! Let me ask you, if so many of
your book-based movies are box office bombs,
why do studios still beg and pay top dollar for
your properties? That's dumb!

That's not dumb,
Nanny! That's
Hollywood!

Well, that's all the pages we have!
Thanks Stephen Kink! This is Nanny
Dickering for CRACKED and...

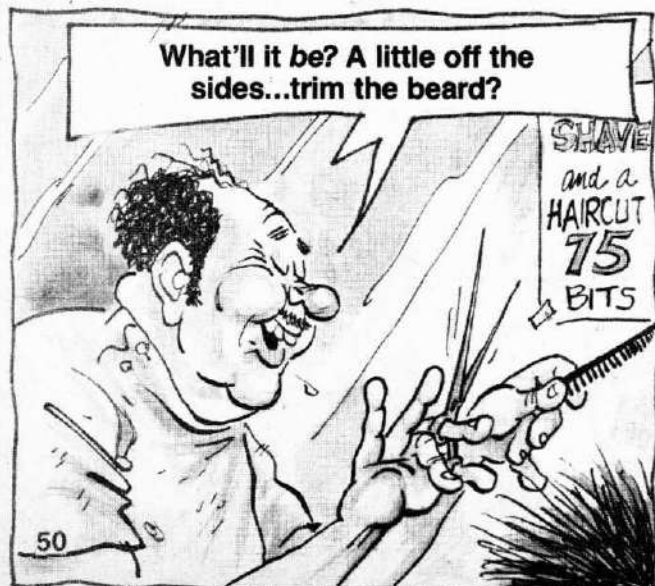

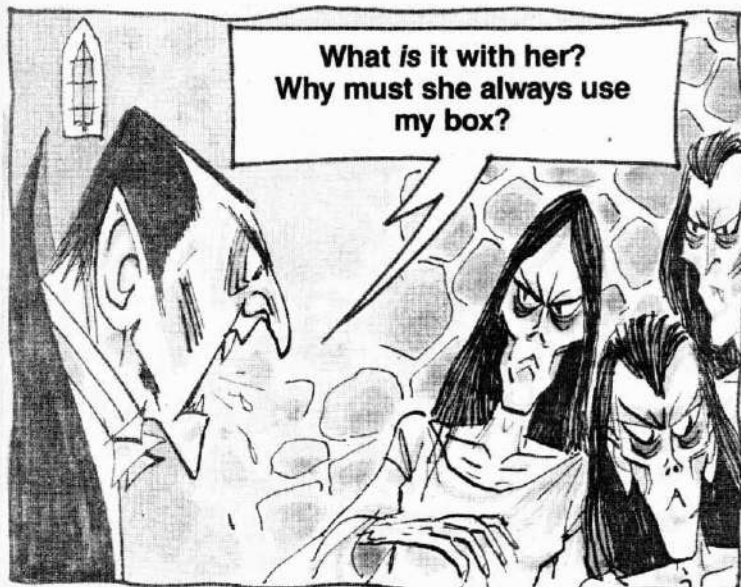

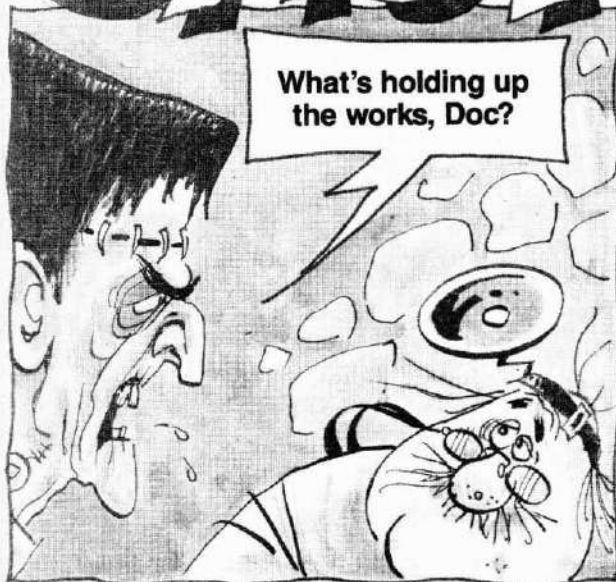

Wait! Wait! I got an idea for my next book!
A copy of CRACKED goes crazy and eats
up any competition at the newstand!

But Mr. Kink! CRACKED
already does that every month!
So long 'til next time readers!

END.

SHUT-UPS

A FAKE CRACKED AD

Why Are We Giving Away Our Famous Nationally Advertised **CRACKED X-15** **SURVIVAL KNIVES** for only **\$500?**

Simple. To get rich!

Yes, so long as there are suckers with money to waste, gimmicky ads like this one will keep reeling them in! Want to know what you get for your money?

Well here you go:

These knives are not foreign made copies. These are *genuine* 100% American made copies! They are the least popular and most expensive knives available to maniacs that are made by this multi-million-dollar firm.

A foot long and y-e-e-e-c-c-c-h!

If you had to describe the CRACKED X-15 in just one word, that word would have to be...*crummy*! Each CRACKED X-15 blade is crafted *entirely of 420 stained molecules*! It's not tough enough to split wood or shatter bone, but it is guaranteed to slice through butter* with ease!

Unfortunately, that's not all! In the pommel of each CRACKED X-15 is a broken compass, guaranteed to point in one direction, which will sometimes be north!

Wait! We're not finished yet!

Unscrew (or break off) the compass and you'll find the CRACKED SURVIVAL KIT! Hidden in the handle are such live-saving devices as a stick of gum and a copy of the new CRACKED DIGEST, both of which will get you through that extra-hard day of work or school!

It's no wonder that this kind of hype has made this multi-million dollar firm even richer!

These Famous Nationally Advertised CRACKED X-15 SURVIVAL KNIVES will not be sold at this price in any store (at least not while there's still a Better Business Bureau)! Order yours direct from us now (before we're caught)!

To get your CRACKED X-15 SURVIVAL KNIFE, mail this *original* ad (or a crayon-scrawled facsimile, even!) along with \$300 or \$400...better make it \$500 along with \$50 for shipping for each knife, to: **Widely Advertised Rip-off Products, a.k.a.**
